URL:

Number and names of additional authors:

1. Peter Taylor (Exhibition)

Additional Information:

Promenade exhibition of artists’ film and video presented as an Artists’ Trail, which links together a number of different site-specific architectural locations within the Elizabethan Ramparts. The 2015 edition featured the work of 40 artists and filmmakers from 20 different countries and included 12 UK premiers and 4 specifically commissioned works. The commissions (selected from an international call) provide the opportunity for the creation of original new works as a response to the Festival theme and environmental location. Catalogue ISBN: 978-0-9551203-7-4. The audience attendance was 8910.
